Re: **JOINT PETITION OF REVEL ENTERTAINMENT GROUP, LLC D/B/A REVEL ATLANTIC CITY, GLOBAL GAMING GROUP - ASIA, LIMITED AND ATLANTIC CITY COIN & SLOT SERVICE COMPANY, INC TO CONDUCT A GAMING RELATED BUSINESS TRANSACTION PURSUANT TO N.J.S.A. 5:12-92a (PRN 1231203)**

Dear Ms. Medina and Ms. Sacco:

The Division of Gaming Enforcement ("Division") has completed its review of PRN 1231203 which seeks authorization to renew PRN 0891202 (conduct a gaming related business transaction pursuant to the terms of a Sales Order for 42 "Axxcess 22V Slot Machine" systems between Revel Entertainment Group, LLC d/b/a Revel Atlantic City ("Revel") and Atlantic City Coin & Slot Service Company ("ACS") and a Platform Purchase agreement between ACS and Global Gaming Group - Asia, Limited ("G3-Asia")). This application is made pursuant to N.J.A.C. 13:69J-1.2B, as well as N.J.A.C. 13:69-1.3(d) by inference, as G3-Asia's application has still not been deemed filed pursuant to N.J.A.C. 13:69A-8.2(a). G3-Asia, through ACS has represented that the remaining elements to complete a filed application will be completed shortly. The Division is in receipt of an e-mail indicating that acceptable fingerprint cards and notarized Affidavits of Truth and Release Authorizations will be obtained shortly and submitted to the Division.

Therefore, pursuant to N.J.S.A. 5:12-92a and N.J.A.C. 13:69J-1.2B, and for good cause shown, this **single transaction**, as described in the petition, is deemed to be renewed and approved, **for a term to expire on May 16, 2012**. It is further provided that approval for any "future sales and /or lease orders" as specifically requested in paragraph 7 is expressly **DENIED**. Approval of such blanket transactions between the parties for any product containing the G3-Asia platform

or "Axxess products" shall require a determination by the Division that a completed application has been filed by G3-Asia. The Division may reconsider the granting of this approval at any time.

Sincerely,

Date: May 2, 2012

  
DAVID REBUCK  
DIRECTOR
